INTERLOCUTORY ORDER

UPON CONSIDERATION of the record in this case, and in accordance with the opinion this day entered herein, the Commission concludes that the Act of April 1, 1880, 25 U.S.C., § 161, is applicable to the plaintiffs' fund, "Proceeds of Townsites, Colorado River Reservation, Arizona", and that interest on deposits in that fund, in accordance with the 1880 Act, is owing to the plaintiffs until the effective date of the Act of February 12, 1929, 45 Stat. 1164.

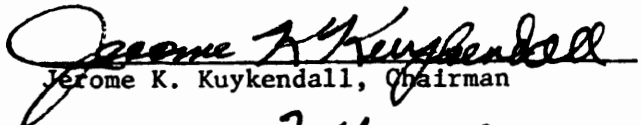

On consideration of the plaintiffs' motion for partial summary judgment, filed on February 4, 1976, together with the responses thereto, and for the reasons set forth in the opinion herein, IT IS ORDERED that the motion be and hereby is denied without prejudice.

On consideration of the plaintiffs' motion for supplemental accounting, filed February 4, 1976, together with the responses thereto, IT IS ORDERED that the motion be and hereby is denied except that, (1) upon request by the plaintiffs, the defendant shall furnish a supplemental accounting of disbursements of tribal funds between March 4, 1929, and June 30, 1929, to establish whether tribal funds were made available during that period under the industrial assistance provisions of the Act of March 4, 1929, 45 Stat. 1562, 1571, appropriating funds for the Bureau of Indian Affairs; and (2) the defendant shall furnish plaintiffs a supplemental accounting showing the use and reimbursement of tribal funds for industrial assistance under the Act of March 4, 1929, and subsequent statutes with similar provisions upon citation by the plaintiffs of such subsequent statutes.

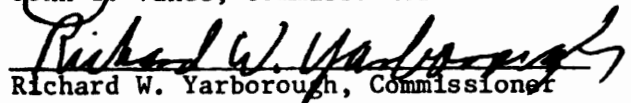

On consideration of the defendant's motion for determination of the scope of supplemental accounting, filed February 9, 1976, and the responses thereto, and for the reasons set forth in the opinion herein, IT IS ORDERED that the same be and hereby is denied.

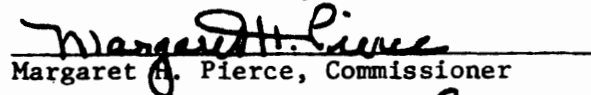

Further proceedings herein will be scheduled in conformity with arrangements reached at a conference of the parties to be held as indicated in the opinion herein.

Dated at Washington, D. C., this 23rd day of September 1976.
